

FREE ONE-DAY BEREAVEMENT CAMP FOR CHILDREN (AGES 6-14)  
AND THE ADULTS WHO LOVE THEM.

**SATURDAY • JUNE 23 • 2018**

Camp Caring is a one day camp held to support children and teens in WV that have lost a loved one in recent years. Focusing on large and small group activities, the Camp empowers each child to be able to express their grief and successfully cope with the feelings of loss and trauma.

Camp Caring runs optional concurrent sessions for the adult(s) in the child's life. The purpose is that each family member is individually strengthened and supported so that the entire family can move forward together to a place of new normal.
